Online safety

As part of our ongoing commitment to ensuring the safety of our children, all children have signed an "acceptable usage policy". This is a contract giving guidelines as to how IT should be used in school but also at home. Please find policies attached to this email so that you can support these principles at home.

Let's work together to protect our children and support them in making safe choices.

Big me...

On Thursday 19th October we will be joining schools across the UK and taking part in Big Me for the charity ActionAid!

Big Me is a day for your child to come to school dressed as what they want to be when they grow up for a **contribution to the charity of £1.00**. They will spend the day exploring their hopes and dreams, writing a letter or postcard to their future selves (which they will bring home to keep safe), and learning about children in other countries. All while raising money to help children in the world's poorest places.

We're really excited about dressing up and dreaming big on Big Me day!

You can find out more about ActionAid and Big Me at actionaid.org.uk/big-me.
