Parent/Teacher Consultations

19th March, 2014

A letter will go out this evening to book an appointment for this. We encourage all parents to attend in order that home and school can work together to support children in achieving their best.

Talking at Home topic: What is trust? Who should we trust?

7th March, 2014

Reminder - Readathon: Our Readathon ends next Friday, 17th March. Who can read the most books and put in that extra effort in the final week of our challenge?!

Storyteller Workshops

Next Tuesday, 11th March, to continue our reading and story theme, our children will be taking part in workshops over the day with a storyteller/actor. I hope this will inspire the children’s imaginations and storytelling abilities. It is important to me that children enjoy the activities we have in school and are enthusiastic about new ventures. I look forward to seeing them enjoy the day!

Dear Parents/Carers,

We have had a tremendous week! The children have been taking part in reading activities all week in order to really develop reading skills and promote reading for pleasure. Each class has taken a book to read in full over the course of the week and these seem to have been very well received. The children looked utterly amazing on World Book Day – it was a delight to see how much effort they had gone to and there was a real buzz of excitement around school. Thanks to everyone for making an extra special effort and joining in the fun!

Kind regards, Mrs J Thompson

Together Everyone Achieves More
