Monday 7th May – School closed for May day Bank Holiday

Monday 14th May-Thursday 17th May – Year 6 National Curriculum test week

Class Photographs will take place next Monday 12th March.

Mad Science Day

On Thursday 15th March, you will have noticed in our "Dates for your diary..." section we are holding a "Mad Science day" in school.

Children will work within their school teams with children from all year groups across school. In their teams they will move around school taking part in a range of fun and exciting science activities that will awe and inspire them.

In order to make the day even more exciting, we are inviting children to come to school dressed up as mad scientists – let your/their imaginations run riot considering how inventive, creative, wacky, eccentric and clever our scientists need to be in order to achieve the amazing work that they do. The day promises to be great fun for all and one to really look forward to!

Easter service – 2.30pm on Thursday 29th March

You may have noticed from our "Dates..." section that our Easter service will take place on the afternoon of Thursday, 29th March at St Paul's Church at 2.30pm. All the children will be taking part.

The Easter story will be led and narrated by Class 4 who will be working with Rev Mark Umpleby to put together a service to help us celebrate this key festival in the Christian calendar.

We look forward to seeing everyone attend!

Entry into school

You may well have noticed all our entry doors now have a fob entry system so all access to the building is monitored and to keep our children as safe as possible. This means that any parents wishing to come into school need to make an appointment and/or speak to Mrs Brook at the office and sign in. Usually a member of staff will be there to allow entry for children arriving for early morning clubs however they can always knock on my office window or Miss Nash's classroom window for entry as we can't hear the bell!

Together Everyone Achieves More
