Discussion topic: "Cheers to a new year and another chance for us to get it right." Oprah Winfrey

9th September, 2016

Dear Parents/Carers,
Welcome back to school. I hope you all had a lovely Summer.
I understand from the children that they have done some fascinating things and have really enjoyed the quality time they have spent with families and friends.
My door is always open. Should you wish to discuss anything, please don't hesitate to contact me.

Mrs J Thompson

Class Information Events

Thank you to all those parents who attended the class events. All parents can access the slides on the relevant webpage of our website www.hangingheaton.co.uk. Also on the website, information about this half term's learning can be found.

PE Kits

Please ensure children have kit in school for their PE lessons. We would prefer for PE kit bags to be brought in on Monday and left until Friday just in case there are any additional PE opportunities!

Beginning and End of School Day

Please may I remind you that parents/carers must supervise their children's behaviour before 8.45am on a morning and after 3pm when children are released at the end of the school day.

Children should not be playing on the school banking, seating area or tyre park at these times. Please also ensure that children do not play in the canopy area outside of class 1 which will have been tidied and sorted for the following day. At the end of the school day, it is important that we clear the playground as soon as possible so that school clubs can start promptly. Thank you for your support in these matters.

Hello and Welcome

Special welcome to...
All our new children in Reception, Lacieleigh, Miley, Abby, Yusuf and Isaac – all of whom started on Tuesday and have already made lots of friends and Miss Wilson – Class 3 teacher.
We hope you enjoy learning with us all here at Hanging Heaton.
