

Year 1 Maths and English - Summer 1 2018

This provides an overview of what will be happening in Maths and English for Year 1 up to Spring Bank 2018. If you need any more information, please do not hesitate to contact me. **Mrs Brooke-Mawson.**

Maths

Maths work for this half term will include:

- More addition and subtraction work using both number lines and number squares.
- Problem solving.
- Fractions of shapes and numbers.
- Measuring using standard measurements and using the vocabulary of measure.
- Time, telling and drawing hands on clocks to the hour and half hour.
- Multiplication and division including sharing.

We are still working very hard this half term with developing our mental maths skills so any help reinforcing times tables for 2's, 5's and 10's would be greatly appreciated. Lots to keep us busy!

English

In addition to our phonics work, which will include alternative pronunciation of sounds we have already learned, and our preparation for our phonics check we will also be having lots of fun in our written work.

This half term texts will include continuing with our space theme with stories, instructions and poetry.

During our grammar work we will look at regular plurals, the prefix un and suffixes ing, ed, er, est.

Reading in Year 1

Reading is very important in Year 1 and we have had lots of tremendous success with it so far this year, thank you very much for your support with this. Not only does it develop a lifelong love of books but also helps enormously with writing. Please can you continue to read **at least four times a week** for a short time and have books in school **every day**. In addition, shown below and overleaf are the next high frequency words which initially your child should be able to read and then begin to spell an increasing number of them also.

water	away	good	want	over	how	did	man
bear	can't	again	cat	long	things	new	after
find	more	I'll	round	tree	magic	shouted	us
