Very pleased with [my child's] progress since starting here

[My child] is very happy in this school and is always very enthusiastic about what she is learning. I have noticed her attitude towards her learning has greatly improved and she does not give up when something is hard!

[Our child] really enjoys coming, we as parents are super proud of all he has learnt here

It's lovely to see the older and younger children playing together

On the whole, there were no issues considered to be wide spread enough to be recorded by more than one parent. However, there were specific comments which appeared to be pertinent to certain children/families. I urge these people to contact class teacher/myself if parents continue to have concerns so these can be dealt with on an individual basis.

We are constantly looking at further opportunities to move our school to Outstanding. As always, your ideas are more than welcome. Should you have any individual concerns, please do not hesitate to contact me.

Yours sincerely, Mrs J Thompson
