

What is the Summer Reading Challenge?

The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, then read six library books of your choice, collecting stickers and other rewards along the way - all FREE.

Enrolling your child

The Summer Reading Challenge is aimed at children aged four to eleven. It is run in very nearly all libraries in the UK and it is completely free.

Go to your local library during the summer holidays - the sooner you go the longer your child will have to read six books. Staff will enrol your child and give them some fun materials to get them started on the Challenge.

You can go to any UK library running the Summer Reading Challenge and you don't have to keep going to the same library. So if you are on holiday in the UK your child should still be able to keep up with the Challenge.

The Summer Reading Challenge website

The Summer Reading Challenge website allows your child to log the books they have read during the summer - and beyond. They can also find new books to read, recommended by other children, take part in competitions and play games.
