

**WELCOME
TO CLASS
5!**

We are very excited to welcome you back to school in September and we hope you are excited about coming back too! School will be a little bit different to how you remember it, we're going to explain what it will be like and how we're going to keep everyone safe.

Pods

Each class will be in their own pod to keep everyone safe. This year our pod is made up of just Year 6 children. When you are dropped off at school in the morning you will enter the Class 5 pod through the hall door. This is the door we will use for playtime, dinner time and home time too.

Playtimes

Our playtime will be at 10.45 each day. Only our Class will play out then, so we will have the whole playground to ourselves! We will have a box of playtime equipment to use which is just for our class so we will need to make sure this is collected in at the end of every playtime.

Lunchtimes

Our lunchtime will be from 12.05pm until 12.50pm. We will all eat our dinner in the classroom at our own table. When everyone has finished we will go out to play. Again we will have the whole playground to ourselves and our own equipment to use!

Lessons

In our classroom the desks will be in rows facing the front. You will be given a place to sit and this will be your place all day. It is important that we all stay in our places and do not wander around the classroom. This will help keep us all safe. At the front of the classroom there will be an area marked out by tape for the teacher. You should make sure that you do not enter this area.

Equipment

You will be given your own set of equipment with your name on (pencil, ruler, green pen, whiteboard and pen) You will need to keep these in your own drawer and look after them. You may also bring your own pencil case from home but this will only be for you to use, you will not be able to share this with others.

Washing hands

You are probably all used to washing your hands lots already! We will be asking you to wash your hands regularly during the day, especially on our way in and out of the classroom.

We are looking forward to a fantastic year with everyone working hard. We have some really exciting topics to cover, starting with the Ancient Egyptians. See you in September!
