

Helping Hands PTA is proud and grateful for the excellent relationship we have developed with the teachers, parents, carers, local business and most of all the school children.

Our school has a welcoming, enthusiastic and dedicated PTA team, who work together to ensure that the children of Hanging Heaton School have the enrichment activities and resources they deserve. We work hard to ensure that we can advance the children's education and create memorable experiences.

We are keen to raise funds that provide value for money for those who support the events and activities we organise. We aim to organise events that bring the community together and involve a lot of fun for all.

Our PTA team relies on support from so many people, and we are always extremely grateful for any support people can provide. You can support us in so many ways, so please get in touch. We are always thankful for any help received no matter how big or small. If you only have 5 minutes to help or would like to help at one or all our events, you are always welcome.

Please join our [Facebook Group](#) to keep up to date with the latest information.

You can contact us anytime by sending us an email (Hhchair@kirkleeseducation.uk), private message on Facebook or please come and speak to one of our committee members.

Ian's Mobile Farm Visit

We were delighted to welcome Ian and the animals into school on 17th October. The children had a fantastic (and educational!) day.

Pumpkin Picking

The rain held off (for once!) and we all had a fantastic time at our pumpkin picking event. There was hot chocolate and hot dog stalls to keep us warm! The children had the chance to enter our pumpkin carving competition and all the entries were amazing.
