### Request for help!

We require some help to run our stalls on Enterprise Day, if you are able to/ would like to volunteer please approach a member of the PTA or speak to the office. Any help is greatly appreciated!

### Crazy Hair Day

The children really enjoyed crazy hair day and they all looked amazing! Thank you for your donations of chocolate for the tombola and supporting our stall

### PTA News

We have had a really successful half term of fundraising, thank you to everyone who has supported our events or bought raffle tickets, we have managed to raise a massive £1500 in the last 6 weeks!

So far we have used these funds and the money raised at Christmas time to hire an inflatable and an ice cream van to come into school on Monday 18th July, and we are planning to cover the transport costs of a trip to see a pantomime in December.

Another big thank you to everyone who turned up to help renovate the quiet area in the KS2 playground, as you can see from the before and after photos below it has made a huge difference!

Wickes also kindly donated paint for the KS1 areas so we will be planning to get that area done next, any help anyone can give at that time will be appreciated!

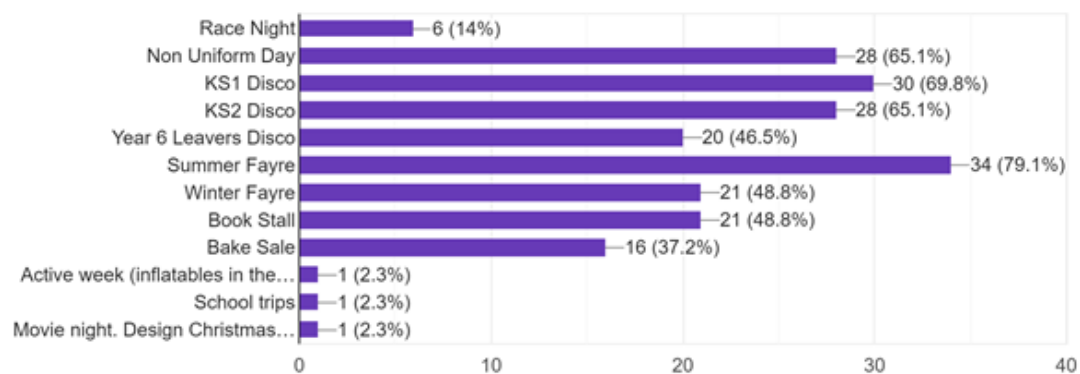

### Jubilee Bunting

The children have been sent home with a template to enable them to complete a piece of Jubilee bunting, each piece will then be threaded together and hung up on our Enterprise Day/Jubilee celebration. We have purchased a commemorative coin for each child for them to take home and keep
