Helping Hands

Welcome to our first fundraising group newsletter! The children have done a great job in choosing us a new name, which is "Helping Hands" and we will be holding a competition soon to give them the opportunity to design a logo for us, look out for more information on this in book bags soon!

We have a number of fundraising events planned over the next couple of months and we would appreciate any support you are able to offer, whether through donations, getting involved with volunteering or just attending the events we have organised, it will definitely be appreciated by the children too we're sure.

If you would like to get involved, please contact Mrs Potter for further details.
