

Hanging Heaton C of E (VC) J & I School - Working at home work

Class/Year Group: REC

Week commencing: 4th May 2020

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

**** New this week, look out for online phonics teaching to support new sounds. A letter is attached giving further advice.****

| Area | Monday | Tuesday | Wednesday | Thursday | Friday |
|---|--|---|--|--|---|
| Reading | At least 10 minutes | At least 10 minutes | At least 10 minutes | At least 10 minutes | At least 10 minutes |
| English  | Learn the Nursery Rhyme 'I'm a little tea pot' https://www.youtube.com/watch?v=mdu5lLpMH_w Make a list of words with the 'ea' sound in them. Perform the rhyme for your family, don't forget to do the actions | Log onto Classroom Secrets https://kids.classroomsecrets.co.uk/resource/phonics-captions-game-1-phase-2/ | Draw a large tea pot, decorate it and write at least 5 sentences with an 'ea' word in them on the tea pot. | Visit Phonics Play and play games using Phase 3 sounds and digraphs User name: march20 Password: home | Handwriting and spelling practise. Practise this week's words, writing them with your best writing, do not forget your flicks. |
| Maths  | Go to Mathletics and complete the 'Shape' activities | Look around your house and see how many cubes, cuboids & spheres you can see. (Remember these are 3D solid shapes) | Log onto Classroom Secrets https://kids.classroomsecrets.co.uk/category/eyfs/eyfs-maths/ to play the Sorting 3 D shapes game | Build a 3D model and then make a list of which shapes you have used and how many of each one you have used. | Get a grown up to test you on this week's mental maths challenge. |
| Foundation subjects  | Join in the Squish the Fish Yoga session at https://www.youtube.com/watch?v=LhYtcadR9nw Can you remember all the sea creatures mentioned in the session? Draw an underwater picture showing them all. | Listen to Nick Butterworth & Mick Inkpen's story 'Wonderful Earth' at https://www.youtube.com/watch?v=OE2Ks4c4MhE Discuss ways in which you can look after our Planet with your family - what small changes can you make? | Make a 'Thank you for our world' poster to show all the wonderful things in our world. | Investigate fruit and vegetables: cut, taste, smell or print with them. Be brave and taste a new fruit or vegetable that you have never tasted before. | Think of the ways you thought of to make the world a better place and begin today (if you haven't already). You could pick up litter with a grown up, sweeping leaves, weeding garden or start a compost bin..... |

This week's spellings are: said can little into too

This week's mental maths challenges are: count in 2's to 20, halve the numbers you have counted, do you know what we call these numbers?

Remember to keep filling your Happiness Jar and sharing all the things that have made you happy with your family -you could phone or video chat with a family member you haven't seen for a while.
