

Hanging Heaton C of E (VC) J & I School - Working at home work

Class/Year Group: REC

Week commencing: 8th June 2020

Dear Parents/Carers, Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this. ** Don't forget the online phonics support available**

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes
English 	Learn the song 'What about the Ocelot' at https://nurseryrhymes123.bandcamp.com/album/jungle-songs Make a list of all the animals in the song, remember to give each name a capital letter. Perform the song for your family.	Log onto Classroom Secrets https://kids.classroomsecrets.co.uk/resource/phonics-phase-3-identify-the-sounds-game-1/ and play the games. Find as many things as you can around your home and garden that begin with 'j'	Close your eyes and imagine you are in the middle of the jungle. Create a short piece of writing about what you can see. Start with 'I can see... I can hear ... I can smell ... I can feel ...' Be imaginative! Think about all the wonderful animals and plants.	Visit Phonics Play and play games using Phase 3 sounds and digraphs User name: march20 Password: home	Handwriting and spelling practise. Practise this week's words, writing them with your best writing, do not forget your flicks.
Maths 	Go to Mathletics and complete the counting activities	Buy a bag of Skittles. Can you count how many there are of each colour? Then create a number label for each colour? Arrange the labels from smallest to largest. Which colour is there the most of? If you are really clever, can you count how many Skittles there were altogether?	Log onto Classroom Secrets https://kids.classroomsecrets.co.uk/resource/reception-counting-objects-game/ and play the counting games	Look in your food cupboard and find objects that you can count like pasta, cereal, dried fruit etc Take a dessert spoon of each and predict which you think will have the most. How do you know? Can you prove it? Make labels for each of the spoons. Repeat the activity with a different size spoon.	Get a grown up to test you on this week's mental maths challenge.
Foundation subjects 	https://www.bbc.co.uk/programmes/p0556xwv Find out more about Angel's house in Peru. Can you compare your house with that of Angel's? Draw and label them both.	What skills have you learnt during lockdown? Think about all the things you can now do and write them in each of the stars below. Don't worry if you cannot print, just draw stars on a page and fill them in with your amazing achievements!	Create a poster with all the things on that you find beautiful. It could be things you can find in nature, e.g. butterflies, flowers or things that are man-made, e.g. aeroplanes, trains, buildings, etc. How many can you choose?	Ask your adult to help you make some music. https://www.bbc.co.uk/games/embed/bring-the-noise?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fteach%2Fbring-the-noise%2Feyfs-ks1-music-play-it-bring-the-noise%2Fz4sq92p Have fun, what tunes can you make?	It is Money Week . Try including your child in the weekly shop. Can they guess the price of different items? Can they work out which they think costs the most money, a treat or a luxury item or something we need like toilet paper? Can they write (or draw) a shopping list for the week?

This week's spellings are: of my one him time

This week's mental maths challenges are: count in 5's to 50 and 10's to 100

**What Skills Have I Learnt
During Lockdown?**
