

Hanging Heaton C of E (VC) J & I School – Working at home work

Class/Year Group: Year 1

Week commencing: 8.6.20

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this. **** Don't forget the online phonics support available****

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
English 	<p>Peace at last</p> <p>https://www.youtube.com/watch?v=9U9y35kWBvM</p> <p>Listen to the story. Write a story about the dream Mrs Bear might have whilst she's fast asleep. Remember to include capital letters and full stops.</p>	<p>Houses look and feel different at night time. Write a description of what it is like in your house at night. What does it look like? What does it sound like? What does it feel like?</p>	<p>Play on https://www.phonicsplay.co.uk/ember-only/Phase5Menu.htm</p> <p>Phase 5c Interactive resources- Weeks 8-30 Investigating alternative spellings /ow/ User- march20 Password- home</p>	<p>Write a book review on Peace at last. What is your favourite part and why? Would you recommend this book to a friend? Briefly explain the story and give it a star rating.</p>	<p>https://spellingframe.co.uk/ Click on Year 1 and then Rules 38 and 39. Click on play and look at the spelling tiles games and then play the free Spelling Game</p>
Maths 	<p>Write down numbers 0-20 and cut them out. Make a pile of 1 digit numbers and a pile of 2 digit numbers. Choose one number from each pile to make a sum e.g. 11+7 or 11-7 Write down your sums and answers.</p>	<p>Ask a grown up to write you some missing number problems to solve. Include addition and subtraction e.g.</p> <p>12 - ___ = 7</p> <p>9 + ___ = 15</p>	<p>www.topmarks.co.uk</p> <p>Click learning games then 5-7 years. Click on the ordering category. You will find lots of games to help with ordering and number patterns.</p>	<p>Draw two circles on your paper. Fill one circle with lots of even numbers and the other circle with odd numbers.</p> <p>How do you know if a number is odd or even?</p>	<p>Practise your mental maths challenge and ask your family to test you on it.</p> <p>Keep chanting your 2x, 5x and 10x tables.</p>
Foundation subjects 	<p>https://www.bbc.co.uk/programmes/p0556xwv</p> <p>Find out more about Angel's house in Peru. Can you compare your house with that of Angel's? Describe them and draw them both.</p>	<p>What skills have you learnt during lockdown? Think about all the things you can now do and write them in each of the stars below. Don't worry if you cannot print, just draw stars on a page and fill them in with your amazing achievements!</p>	<p>Create a poster with all the things on that you find beautiful. It could be things you can find in nature, e.g. butterflies, flowers or things that are man-made, e.g. aeroplanes, trains, buildings, etc. How many can you choose?</p>	<p>Ask your adult to help you make some music. https://www.bbc.co.uk/bitesize/articles/zkgkwtv</p> <p>Have fun, what tunes can you make?</p>	<p>It is Money Week. Try including your child in the weekly shop. Can they divide your shopping items into 'needs' and 'wants'? Can they identify any money decisions you might have made during your grocery shop e.g. buying a supermarket own range instead of a branded item? Can they help you write your shopping list? Can they guess the price of different items?</p>

This week's spellings are: louder, fresher, quicker, colder, loudest, freshest, quickest, coldest, Monday, Tuesday,

This week's mental maths challenge is quick mental maths subtraction sums e.g. $7 - 3 =$ $10 - 6 =$ $13 - 5 =$

What Skills Have I Learnt During Lockdown?
