

Hanging Heaton C of E (VC) J & I School – Working at home work

Class/Year Group: Year 2

Week commencing: 8.6.20

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
English 	Practise writing a range of sentences on a topic of your own choice. Write a number of different sentences: • Short, simple sentences • Sentences joined with and, or, but • Longer sentences with conjunctions - when, because, if, e.g. My home has three bedrooms because there are 4 people in my family. Remember punctuation!	www.online.raintree.co.uk And use the following login information: Username: UKfreeaccess Password: engage Choose a book or two that appeals to you and have a read.	Write a book review on a favourite book you have read in lockdown. What is your favourite part and why? Would you recommend this book to a friend? Briefly explain the story and give it a star rating.	https://spellingframe.co.uk/ Click on Year 2 and then Rules 1,2,3 Click on play and look at the spelling tiles games and then play the free Spelling Game	Can you pretend to be a teacher? Try https://kids.classroomsecrets.co.uk/category/year-2/spelling-year-2/ See how many spelling games you can complete?
Maths 	Log onto https://kids.classroomsecrets.co.uk/category/year-2/year-2-maths/ Watch the Unit Fractions Video then play the Unit Fractions game.	Challenge yourself to make fractions of different numbers. If you want to use coins, counters or anything else to help you please do. Remember fractions have got to be EQUAL. Try halves, quarters and thirds.	Go onto Mathletics and complete the fractions activities set.	Log onto https://kids.classroomsecrets.co.uk/category/year-2/year-2-maths/ Watch the Non Unit Fractions Video then play the Non Unit Fractions game.	Practise your mental maths challenge and ask your family to test you on it. Keep chanting your 2x, 5x and 10x tables.
Foundation subjects 	https://www.bbc.co.uk/programmes/p0556xwv Find out more about Angel's house in Peru. Can you compare your house with that of Angel's? Describe them and draw them both.	What skills have you learnt during lockdown? Think about all the things you can now do and write them in each of the stars below. Don't worry if you cannot print, just draw stars on a page and fill them in with your amazing achievements!	Create a poster with all the things on that you find beautiful. It could be things you can find in nature, e.g. butterflies, flowers or things that are man-made, e.g. aeroplanes, trains, buildings, etc. How many can you choose?	Ask your adult to help you make some music. https://www.bbc.co.uk/bitesize/articles/zkgkwtv Have fun, what tunes can you make?	It is Money Week . Try including your child in the weekly shop. Can they divide your shopping items into 'needs' and 'wants'? Can they identify any money decisions you might have made during your grocery shop e.g. buying a supermarket own range instead of a branded item? Can they help you write your shopping list? Can they guess the price of different items?

Hanging Heaton C of E (VC) J & I School – Working at home work

This week's spellings are: side, sighed, flower, flour, pain, pane, knows, nose, red, read

This week's mental maths challenge is: doubles and halves to 20. How fast can you answer your mum or dad?
