

## Hanging Heaton C of E (VC) J & I School – Working at home work

**Class/Year Group: Class 4**

**Week commencing: 11/5/20**

Dear Parents/Carers,

Please find below activities to support your child’s continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Reading</b>	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
<b>English</b> 	Complete at least 10 quizzes on read theory.	Watch: <a href="https://www.literacyshed.com/the-music-video-shed.html">https://www.literacyshed.com/the-music-video-shed.html</a>  David Guetta - Titanium Write a description of the first scene, use the show not tell technique to create thoughtful writing. You could also include expanded noun phrases and similes/ metaphors.	Watch: <a href="https://www.literacyshed.com/the-music-video-shed.html">https://www.literacyshed.com/the-music-video-shed.html</a>  Avicii - Wake me up! Write what happened prior to the video – have they always lived there, why are they living alone, did something happen to parents? etc.	Watch: <a href="https://www.literacyshed.com/the-music-video-shed.html">https://www.literacyshed.com/the-music-video-shed.html</a>  Chris Malinchak - So Good to Me Write a set of instructions for keeping a giraffe as a pet. Remember what layout devices you may need to use to make it clear.	Watch: <a href="https://www.literacyshed.com/the-music-video-shed.html">https://www.literacyshed.com/the-music-video-shed.html</a>  Duke Dumont Feat. A.M.E - Need You (100%) Write a newspaper article about this strange occurrence and interview some of the other people seen in the video. Remember the punctuation needed for speech!
<b>Maths</b> 	Complete times table rock stars. Please complete at least two sound checks. Why not challenge friends or me on TTRS!	Look at items in your house. Create a list and give them all a price. Then imagine there is a sale in your house with fractions/percentages reduced from the original amounts. What will the new prices be? E.g. lamp = £10. Reduced by $\frac{1}{4}$ /25%. New price = £7.50	Year 4- practise converting measures. How many mm in 1cm? How many cm in 1m? How many m in 1 km? How many cm in 1km? How many mm in 1km? How many ml in 1L? How many g in 1kg? Convert some actual values. Year 5-Practise converting imperial measures. 1 inch = 2.5 cm 1 foot = 12 inches Complete the activities on <a href="https://www.bbc.co.uk/bitesize/guides/zt2c82p/revision/2">https://www.bbc.co.uk/bitesize/guides/zt2c82p/revision/2</a>	Complete activities on Mathletics- in particular measures.	The answer is 56. What is the question? E.g. $7 \times 8$ , $5.6 \times 10$ , $50 + 6$
<b>Foundation subjects</b> 	Topic In the context of money, define these words: ‘interest’, ‘saving’, ‘borrowing’, ‘loan’, ‘debt’, and ‘tax’ Can you think of events or situations in life where you may need to borrow money? Create a spider	Art Research artwork by Paul Klee. Pick your favourite piece of art that he created and try to recreate your own. You could use paper and pencils, pastels, paint or even the computer to try create your own work!	R.E. Where do Muslims get good pieces of advice from? Watch: <a href="https://www.bbc.co.uk/bitesize/clips/z9tqb82">https://www.bbc.co.uk/bitesize/clips/z9tqb82</a> Retell the story in one of the following ways: Poem Newspaper	French Using a French dictionary or translating tool look up different types of rooms in house. For e.g. living room, kitchen, bathroom, hallway and bedroom. Write what they are in French and draw a picture to go with each. If you wanted to stretch	Science Explain the difference between dissolving and melting. Design your own experiment to explore dissolving. This could be how temperature of the water changes the rate of dissolving or how much of something you would need before it stopped dissolving. Remember in your experiment you
