

Hanging Heaton C of E (VC) J & I School - Working at home work

Class/Year Group: Year 1

Week commencing: 13th July 2020

Dear Parents/Carers, This is the last working at home sheet of the year. I hope that you all have a lovely summer break.

**** Don't forget the online phonics support available****

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
English 	Watch https://www.youtube.com/watch?v=U4G0mDUBGkc and play the game. Using the reminders who, what, and where try and write three more sentences about the pirate story. Don't forget your full stops.	Look at the map below. Can you describe it using simple sentences? Remember what you were learning about yesterday. Don't forget your full stops and capitals and maybe even you could use a? or !	Meet your pirate (below). Can you describe him in longer sentences today, this time using the conjunctions (joining words) because, and, so or but. Like 'I know Pirate Pete is always in fights because he has a sharp cutlass and a hook instead of his hand.'	What happens if Pirate Pete lands on the island you described on Tuesday? Write a short story about his adventures and don't forget to illustrate it!	https://spellingframe.co.uk/ Click on Year 1 and then on any 3 different rules. Click on play and look at the spelling tiles games and then play the free Spelling Game
Maths 	To begin- count forwards and backwards from 0-100. Write down any number from 1-100. What is one more and one less than your chosen number? Choose a different number and repeat. Challenge yourself by using 2 digit numbers such as 76.	Adding and subtracting ten from a multiple of 10 e.g. 30 + 10 = 60 - 10 = Try challenge yourself- 30 + 30 = 50 - 20 =	Write down the 2x, 5x and 10x tables forwards and backwards. Ask a grown up to write you some missing number sentences to complete e.g. 2 ___ 6 ___ ___ 12 30 ___ 50 ___ 70 ___ 100	Doubling and halving numbers up to 20. Can you double all the numbers from 1-12? What is half of 2,4,6,8,10,12,14,16,18 and 20? Write down your answers.	Practise your mental maths challenge and ask your family to test you on it. Play; https://www.bbc.co.uk/bitesize/ze/topics/z2grd2p/articles/zwv6b82
Foundation subjects 	Let's go around the world again, this time thinking where animals live. https://www.bbc.co.uk/bitesize/articles/zhvmt39 Then have a go at Activity 1.	This half term we have been thinking about our wonderful world. Watch this clip https://www.bbc.co.uk/bitesize/clips/z62hyrd and then draw a picture of the 6 things you find most amazing and explain why.	Let's continue on our trip around the world with https://www.bbc.co.uk/bitesize/articles/zhhb42p Watch the video and have a go at Activities 1 & 2.	Let's try some music: https://www.bbc.co.uk/bitesize/articles/z4jjcmn How many of the activities can you do?	It is the end of the year and I would like you to write a letter to your teacher. What would you like to say to her?

This week's spellings are: more, core, sore, score, shore, adore, before, explore, August, October

This week's mental maths challenge quick fire directions, including $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$ turns.
