

# Hanging Heaton C of E (VC) J & I School - Working at home work

Class/Year Group: Year 2

Week commencing: 15.6.20

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Reading</b>	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
<b>English</b> 	<a href="http://resources.hwb.wales.gov.uk/VTC/lists_and_instructions/eng/Introduction/MainSession.htm">http://resources.hwb.wales.gov.uk/VTC/lists_and_instructions/eng/Introduction/MainSession.htm</a>  Remind yourself about how to write instructions by playing the above game.	Think about the Barnaby Bear trip you watched yesterday. At the beginning the chef was making crepes which are very like pancakes. Ask you mum or dad if you can help make them and then write instructions as to how you did it remembering what you did yesterday.	<a href="https://kids.classroomsecrets.co.uk/resource/year-2-animals-reading-comprehension-amphibian-conservation-centre/">https://kids.classroomsecrets.co.uk/resource/year-2-animals-reading-comprehension-amphibian-conservation-centre/</a> Have a go at this comprehension.	Fold a piece of A4 paper into 4 sections. Label each box with the seasons: spring, summer, autumn, winter. Write 3 sentences in each box to explain what it is like in that season. What is the weather like? Is it warm or cold? Write about what happens to plants. Think about the trees.	<a href="https://spellingframe.co.uk/">https://spellingframe.co.uk/</a> Click on Year 2 and then Rule 23. Click on play and look at the spelling tiles games and then play the free Spelling Game
<b>Maths</b> 	<a href="https://kids.classroomsecrets.co.uk/resource/the-multiplication-symbol-video-tutorial/">https://kids.classroomsecrets.co.uk/resource/the-multiplication-symbol-video-tutorial/</a> Then play the multiplication symbol game.	Can you make up your own questions with the multiplication sign in it? Then try and work it out, if you need to you can always draw a picture.	Access Mathletics and work on the multiplication questions set.	Can you write some word questions that would need multiplication to work them out? Like, Mrs Brooke-Mawson has 3 children and they all wanted 5 sweets, how many sweets did she need to buy?	Practise your mental maths challenge and ask your family to test you on it.  Keep chanting your 2x, 5x and 10x tables.
<b>Foundation subjects</b> 	<a href="https://www.bbc.co.uk/bitesize/clips/zsbkq6f">https://www.bbc.co.uk/bitesize/clips/zsbkq6f</a> Take a trip with Barnaby Bear to France. When you have watched it write a 'Day in the Life of...' diary entry from Barnaby Bear, detailing what he has learnt about life in France.	 Wallpaper or wrapping paper is often just made up of one pattern repeated over and over again. Can you have a go at making a piece using one simple picture and copying it?	<a href="https://www.bbc.co.uk/games/embed/galaxy-pugs?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzn7bsc_w">https://www.bbc.co.uk/games/embed/galaxy-pugs?exitGameUrl=https%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzn7bsc_w</a> Test your knowledge by going on the Plants games and Animal games. See if you can get as far as Gold.	What would your wonderful world look like if it was to be the best ever? What would it have in and what wouldn't it have in? If you were to create your perfect world what would it look like? Can you describe it and draw a picture of it?	During lockdown we have all had a chance to find different qualities that we may not have realised we had. Have a chat with your family and see if you can identify these qualities in each other. You can do one on your own or even do a family one either by printing the form below or drawing lots of stars!

## Hanging Heaton C of E (VC) J & I School - Working at home work

This week's spellings are: pleasure, television, division, conclusion, worry, revision, explosion, painless, harmless, careful

This week's mental maths challenge is: mixed up timetables, get your mum or dad to ask you your times tables but don't do them in order.

### What Special Qualities Have I Discovered?
