

Hanging Heaton C of E (VC) J & I School – Working at home work

Class/Year Group: Year 3 & 4

Week commencing: 1st June 2020

Dear Parents/Carers,
Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
English 	Click on the link which will take you to the Top Marks website: descriptive writing Click on the story and work through the activities. This will help you practise using adventurous vocabulary and using describing words.	Create your own VIPER questions and answers for the most recent chapter you have read in your book. V = vocabulary; I = inference; P = predict; E = explain; R = retrieve; S = summarise. Come up with one question for each letter! You could read the chapter with your parent and then ask them to answer your questions.	Watch the following videos about metaphors and similes: similes and metaphors Complete the activities from the website which appear after the videos.	Write a letter to a person of the future to explain what life is like at the moment. You could start with <i>Dear Future, It's 2020 and we are in the middle of a Coronavirus pandemic. I bet you can't imagine what it was like. Lots of things have changed and I'm going to tell you all about it!</i>	Practise all your spellings and write a number of sentences using each word. Please ensure you use your neatest handwriting when completing your sentences. Then have a go at making your own word search with your spelling words hidden in it. Ask your parent to try and find the words!
Maths 	Log onto mathletics and complete the assigned activities on time: Year 3- Five Minute times Quarter to and quarter past Tell the time to the half hour. Year 4- 24 hour time Using timetables	Complete the following worksheets on time: Year 4- Year 4 hours and minutes worksheet Year 3- Estimating time worksheet year 3	See if you can complete the time jigsaw: Time Jigsaw You will need to cut out each of the squares and match them up so the sides of each squares show the same times (although these will be written differently). All the squares should fit together with no gaps.	Complete the following activities on 12 and 24 hour time as well as using timetables. Year 4- Year 4 time worksheet Year 3- Practise telling the time by playing this fun time game: Year 3 time game	Complete the arithmetic test. Try and do this by allowing yourself 30 mins. Year 4: Year 4 arithmetic Test Year 3: Year 3 arithmetic test
Foundation subjects 	Our new topic is all about the Olympics. We are going to start be learning about the country Greece, where it all began. Use an atlas or the internet to find out where Greece is and colour it in on the world map: http://allfreeprintable.com/world-outline-map Can you find out which	We are going to learn about a Jewish story today. Watch this video which tells the story of how the Maccabees defeated the evil King Antiochus: Story of the Maccabees You can choose to either write out the story in your own words	For our new topic 'Living things and their habitats' we are going to think about what all living things can do. We call these the 7 life processes. Use the internet to research into what these are. You can use the mnemonic MRS NERG to help you! For each of the	Look at the following website which tells you some of the things a teacher might say in a French school. Practise reading the words aloud. See if you can complete the worksheets. French schools worksheet	Use the following website to learn about duration and tempo: duration and tempo Can you explain the difference between the two? Now listen to some songs on the radio. Can you write
