

Hanging Heaton C of E (VC) J & I School - Working at home work

Class/Year Group: 2

Week commencing: 20.4.20

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes	At least 15 minutes
English 	Choose a character from your favourite book. Draw a picture of them and write a short description about them. Try to include some conjunctions: because, and, but, or, when	Create a new character for a book. Draw a picture of them, give them a name and write a short description about the type of character they are. Try include some conjunctions.	Log in to classroom secrets using your user name and password. Find the Year 2 reading section and complete a reading comprehension task.	Research a famous author such as Julia Donaldson. Create a fact file about their life, their books and any other interesting information you can find out about them.	Hand writing and spelling practise. Practise your spellings and ask someone to test you on them. Copy sentences from a book to practise your best handwriting.
Maths	<u>Positioning and direction</u> Learn and begin to understand key vocabulary: quarter turn, half turn, three quarter turn, full turn, left, right, clockwise, anticlockwise, forwards and backwards.	Write a set of instructions for someone to follow. Take turns in doing this. E.g. 3 steps forward, half a turn clockwise, 5 steps forward, 1 step back, turn right a quarter turn.	https://www.bbc.co.uk/sport/av/supermovers/42626760 A fun song which helps you understand the key vocabulary! Beebot is also good for directions - http://ssoleio.pw/7.diafora/03.Beebot-emulator/	https://classroomsecrets.co.uk/decoding-movement-year-2-position-and-direction-free-resource-pack/ Here you will find lots of fun activities and sheets to download about movement.	Practise your mental maths challenge and ask your family to test you on it. Keep chanting your 2x, 5x and 10x tables.
Foundation subjects 	Create an online safety poster explaining how people can stay safe online. Think carefully about: keeping personal information private, using age appropriate website, never speaking to strangers online and telling an adult if you see something that upsets you.	Create a picture that makes people smile, such as a rainbow, to display in your window. You might like to use some of the following materials: Coloured paper Paints Coloured pencils Tissue paper	Research a wild animal of your choice. Find out: - What it needs to survive - How it adapts to its habitat - What it eats and how it finds its food - If it is part of a food chain Create a fun fact file including a picture of your animal.	Create a poster about how we can look after our planet. Think about what Jesus taught his followers about caring for one another and our world. Include pictures and writing on your poster. Explain to people how they can protect our world and animals.	Unscrambling words Think of some Spring words and mix the letters up. What word is hidden? e.g. L O F W R E S F L O W E R S Give clues: 'Something that grows in the garden'

This week's spellings are: parents, pass, path, people, plant, sugar, sure, told, water, who.

This week's mental maths challenge is: Missing numbers- $17 + \underline{\quad} = 25$ $54 - \underline{\quad} = 48$
