

# Hanging Heaton C of E (VC) J & I School – Working at home work

Class/Year Group: REC

Week commencing: 27th April 2020

Dear Parents/Carers,  
Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
<b>Reading</b>	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes
<b>English</b> 	Learn the Nursery Rhyme 'Row Row Row Your Boat' <a href="https://www.youtube.com/watch?v=F-BVN97JIXc&amp;v=1=en">https://www.youtube.com/watch?v=F-BVN97JIXc&amp;v=1=en</a> Make a list of words with the 'oa' & 'ow' sound in them. Perform the rhyme for your family, don't forget to do the actions.	Look at your list of 'oa' & 'ow' words and draw a picture for each of the words, then write a sentence using each of these words.	Choose your favourite story book and share it with an adult. Design a new book cover for this story and write your own 'blurb' (the bit on the back cover that tells people why they might enjoy the story too).	Visit Phonics Play and play games using Phase 3 sounds and digraphs User name: march20 Password: home	Handwriting and spelling practise. Practise this week's words, writing them with your best writing, do not forget your flicks.
<b>Maths</b> 	Log onto Classroom Secrets <a href="https://kids.classroomsecrets.co.uk/category/eyfs/eyfs-maths/">https://kids.classroomsecrets.co.uk/category/eyfs/eyfs-maths/</a> to play the Repeating Pattern games.	Go into the garden and collect leaves, petals, pebbles and twigs. Use them to make as many different repeating patterns as you can. Take a photo of all the patterns you make	Go to Mathletics and complete the 'Simple patterns activity in the measuring activities.	Look around your house and see how many squares, rectangles, circles and triangles you can see. (Remember these are 2D flat shapes)	Get a grown up to test you on this week's mental maths challenge.
<b>Foundation subjects</b> 	Join in the Hungry Caterpillar Yoga session at <a href="https://www.youtube.com/watch?v=xhWDiQRrC1Y">https://www.youtube.com/watch?v=xhWDiQRrC1Y</a> Can you describe the life cycle of a caterpillar to a grown up?	Create an insect on a paper plate if you have one, or on a piece of card or paper - what about a ladybird, a bumblebee, spider or a butterfly like the one in the Hungry Caterpillar ?	Find an empty jar or container to make a 'Happiness Jar'. Decorate the outside of your jar using paint, wrapping paper or stickers.	Think about something that has made you happy today. This could be something funny that happened, an exciting activity that you did or something that you are grateful for. Write down what this is, or tell a grown up and help them to write it for you. Carefully fold the paper and put it in your Happiness Jar. Try to add something every day.	Construct a pair of binoculars. Take them outside or look through the window. What can you see through your binoculars? What materials have you used to make them? Draw a picture of some of the things you have seen through your binoculars. Can you add them to your Happiness Jar?

**This week's spellings are:** come house to we go will old

**This week's mental maths challenges are:** double all the numbers to 10, how quickly can you say the double for each number?
