

Hanging Heaton C of E (VC) J & I School – Working at home work

Class/Year Group: REC

Week commencing: 30th March 2020

Dear Parents/Carers,

Please find below activities to support your child's continued learning at home. It is important during this time that we try to build on the learning that has taken place in school although we do realise that it is impossible to replicate school whilst home learning. The more children can keep up with their learning, the easier the transition back into school will be. We appreciate your support in this.

Area	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes	At least 10 minutes
English 	Learn the rhyme 'Down at the Station'. A selection of songs and rhymes can be found at: https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-30-minute-medley/zbhtjhy Perform it to your family.	Practise writing your full name until you can do it without copying from a name card. Remember your capital letters! Then see how many sentences you can write with your name in.	Think of words with 'ai' sound in them. Write down as many as you can in a list.	Look in a book or newspaper to spot as many words with 'ai' in them as you can. Can you explain what they mean?	Handwriting and spelling practise. Practise this week's words, writing them with your best writing, do not forget your flicks.
Maths 	Read the story 'Oliver's Vegetables' or watch it at https://www.youtube.com/watch?v=Cw3L367Sum0 What do you notice about it?	Learn the days of the week and think of different things that you do on each day. Write them on different scraps of paper and see if you can put them in order.	Think about your day. Make a timetable to show what you do at 8 o'clock 10 o'clock 12 o'clock 2 o'clock 4 o'clock 6 o'clock	Go to Mathletics and complete the days of the week activity	Learn the months of the year and find out which month each person in your family celebrates their birthday in.
Foundation subjects 	Make an Easter Bunny. There are some ideas at: https://www.makeandtakes.com/recycled-easter-bunny-bucket	Design a pattern for a decorated Easter egg that includes a bunny and a sunshine.	Decorate an egg to match the design you created yesterday	Draw an Easter picture and explain why Easter is an important time.	Make some Easter buns, if you can. Help mum or dad by weighing the ingredients and helping them read the recipe.

Science: look around the garden/out of your window and count how many different trees and flowers you can see. Draw a Spring picture or make a spring flower collage. Can you use some of the things you find in the garden? Don't forget to wash your hands.

This week's spellings are: that not look put and with

This week's mental maths challenges are: how many sums do you know with an answer of 7?
