

## Hanging Heaton Junior and Infant School NEEDS YOUR HELP!

Far too much unwanted clothing ends up going to landfill when it could be recycled or reused. We would like to prevent this from happening by reducing the volume of clothing we throw away. Instead, we will be bringing our unwanted clothing and paired shoes into school which will be placed in our clothing recycling bin, soon to be located in our school playground. Our bin will be emptied regularly and funds raised from this will be donated to Yorkshire Children's Trust, based in Halifax

Please could you help us by either dropping off items at school during school hours or sending bags of clothing in to school with your children? All donations, no matter how big or small will be gratefully received.

Thank you.

**Yorkshire  
Children's  
Trust** 

REGISTERED CHARITY NUMBER 1146884

## We need:

**Jumpers, shirts, trousers, pyjamas, t shirts,  
dresses, hats, scarves, gloves, coats and paired  
shoes- clean and in good condition please.**
