Autumn Update

Welcome back

It's been lovely to welcome all the children back to school, and to meet all the new pupils and parents.

We hope that the children will be as excited as we are to begin a new year and to have as many fun experiences as possible!

Dates for your diary

- 29/09/23- Non Uniform Day in exchange for Tombola donations
- 05/10/23- Science Day
- 09/10/23- AGM to be held in school at 3pm
- 24/10/23- Scarecrow Event after school at 3pm

Scarecrow Event

This year, as an alternative to pumpkin picking, we are planning on holding a scarecrow festival and competition, where we will be inviting families to make their own scarecrows at home and bring them into school on 24th October. There will be prizes awarded to the 3 best designs, and these will be chosen by the children. To help, we will be selling "scarecrow packs" in advance for £1, containing a stick, straw, ribbon and a badge. On the day we will also be selling hot dogs, hot chocolate and a selection of cake and buns. And donations of baked goods on the morning of the event are very much appreciated

AGM

Our AGM will be held on Mon 9th October at 3pm. All parents/carers are invited to attend, so please feel free to come along.

We are also on the lookout for new committee members, and for volunteers to help the PTA to continue to operate. If you are interested then please fill in this short form:

<https://forms.office.com/r/xyhYRjR3ry>

Raffle & tombola donations

We are currently trying to source prizes for our Christmas raffle and for our tombolas. If you are able to donate anything, or to point us in the direction of anyone who could, please contact a member of the team, or let the office know. Any help you are able to offer is very much appreciated

Non Uniform Day

We will be holding a non uniform day on Friday 29th September.

Children are welcome to attend school in non uniform in exchange for a Tombola prize that we can use at our upcoming Christmas events, in order to help us raise some much needed funds

Science Day

On Thurs 5th October we have organised for Sublime Science to come into school and do some fun science workshops with the children. We hope they have a really enjoyable day! If you would like to find out more, please see this link:
