School Games Gold Award

I am delighted to inform you that we have gained recognition as a School Games "Gold" standard school. This demonstrates the quality of our PE and Sports provision. The School Games Mark is a government led awards scheme to reward schools for their commitment to the development of competition across their school and into the community.
Well done to Mrs Limon, Mr Teale and our children who willingly take part in both inter and intra school sports competitions
We are proud of our achievements in all areas of our learning and consider sports and healthy competition to be an important aspect of our development.
