Friday 25th October – School closes for half term break

Dear Parents/Carers,
Welcome back to school. I hope you all had a lovely Summer. The children are all looking smart in their new uniforms and have shown they are ready to learn. My door is always open. Should you wish to discuss anything, please don't hesitate to contact me. **Mrs J Potter**

Beginning and End of School Day

Please may I remind you that parents/carers must supervise their children's behaviour and safety before 8.45am on a morning and after 3pm when children are released at the end of the school day.

Children should not be on the grass school banking, quiet seating area, under the trees or on the tyre park at these times.

At the end of the school day, it is important that we clear the playground as soon as possible so that school clubs can start promptly.

Thank you for your support.

Children with Medical Needs

Should your child have any medical needs, it is your responsibility to ensure we are aware of this in school. Parents should request a medical form from the school office in order that we have up-to-date information.

Children with Asthma

Parents should request an asthma card from the school office and ensure that a reliever inhaler is kept in school at all times. It is essential that we are aware of triggers and emergency telephone numbers so that we are best placed to support children

Safeguarding

Safeguarding is of high importance in our school. Mrs Potter is Designated Senior Leader for child protection. Mrs Brooke-Mawson is Deputy Designated Senior Leader. Mrs Exley is our Safeguarding Governor. If you have any concerns about Child Protection or Health and Safety in school, then please contact one of us. Any concerns are taken seriously and investigated

Hello and Welcome

Special welcome to... All our new children in Reception and Leo in Class 3– all of whom have already made lots of friends and Miss Patel – Class 1 teacher. We hope you enjoy learning with us all here at Hanging Heaton.

Together Everyone Achieves More
