## Mysteries Day: Wednesday 4th March

On Wednesday 4th March we will be holding a 'mysteries' day in school. Children will work within their school teams with children from all year groups across school. In their teams they will move around the different classrooms working together to solve a mystery. Children will have the opportunity to take part in discussions, do drama and role play, write newspaper reports, design character profiles, make story boards and write poetry. The day promises to be great fun for all and one to look forward to!  
Children need to wear school uniform.

## World Book Day: Thursday 5th March

On Thursday 5th March we will be celebrating World Book Day in school. We have lots of exciting activities planned which will be taking place in all classes across school.  
On this day we are inviting children to come **dressed in their pyjamas** for our 'Share a story' theme. This year we will be asking the children to take part in the 'Reading Stars' reading challenge. The aim of this is to promote the enjoyment of reading and to encourage children to read more at home. Your child will be bringing home their challenge card on Wednesday 26<sup>th</sup> February. The children need to tick off each reading challenge as they complete it. Completed challenge cards should be returned to school for Thursday 5th March when certificates will be awarded.  
This promises to be an exciting day which we hope will further encourage enjoyment in reading and a love of books!

"Let all that you do be done in love"
