

# Helping Hands Newsletter Autumn Update 2

## Dates for your diary

- 19/11/23- Meeting at HH Working Mens Club from 6:30pm (All welcome)
- 25/11/23- Christmas Fayre at HH Cricket Club- 10am-4pm
- 19/11/23- School trip to Pantomime (letter to follow)

## Pantomime trip

Thanks to all your support we are pleased to be able to part fund the Pantomime trip again this year- the trip would be unable to go ahead without your generous donations so it's great we are able to once again provide the children with the opportunity to attend. More details will be sent out via letter after half term.

## Scarecrow Event

We hope everyone loved yesterday's scarecrow event as much as we did! It was great to see all the amazing scarecrows the children had made, and we managed to raise £383.40, which will really help us with our plans for the coming year  
Congratulations to the 3 winners:

Special thanks should also go to Welcome on Leeds Road, for their generous donation of hotdogs and hot chocolate, and to Beverley Porter Art & Jane Platts Art for choosing the prize winners, as well as all the parents who gave up their time to help- it wouldn't be possible without you all!

## Science Day

On Monday 25th September we organised for Sublime Science to come into school and do some fun science workshops with the children. We hope they had a really enjoyable day!

## Xmas Raffle

We have had some fantastically generous prize donations for our annual Christmas raffle, particularly from parents within the school and their businesses, thank you all so much, it is very much appreciated!  
Raffle tickets will be on sale from the end of November, more details to follow after half term

## Thank you for your support this half term

We hope the children have had a great half term and have enjoyed their first few weeks back in school, it's definitely been a busy time! Hope you all have a lovely half term break and we look forward to seeing the children back again in November!
