23<sup>rd</sup> July, 2021

## **Morrison's and White Rose Maths**

Morrison's have teamed up with the White Rose Maths scheme to produce some free summer workbooks that you may be interested in to support your child(ren) over the holidays. These can be collected in store or downloaded and printed online. Please see <https://whiterosemaths.com/morrison's/> for more details.

We have also included some maths resources on our website which may be of use to families over the summer.

**Earrings** – if you are planning to have your child's ears pierced in the near future, the beginning of the summer holidays is the best time so they don't miss any school PE next year.

Kirklees LA have asked us to identify an additional day holiday in lieu of the Queen's Jubilee Bank holiday – this will be Monday 6<sup>th</sup> June, 2022 for us.

## **September date for opening**

School will reopen for children on Tuesday 7<sup>th</sup> September, 2021.

Dear Parents/Carers,

Here we find ourselves once again at the end of another school year, reflecting upon the year we are leaving behind.

It would be easy to consider that we hadn't achieved anything this year due to the disruption or perhaps that it has been somehow "a waste". Quite the contrary! I believe that we must all congratulate ourselves on a year where we have faced new challenges and shown resolve, determination, creativity and resilience to overcome these and emerge wiser and stronger.

The team here at Hanging Heaton have, as always, been fantastic. They have worked far harder and far more in isolation than ever before but have fully demonstrated their resourcefulness, their will to solve problems and their commitment to the success and wellbeing of our children. I thank them wholeheartedly for this and for their support throughout the year.

True to form, our Hanging Heaton children have been a delight to learn with again this year, responding to any changes with ease and reminding me every single day exactly why I chose to come into the teaching profession. Thanks to them for their smiles, cheery words and kindness. They are a breath of fresh air.

I have enjoyed watching our year 6 children grow throughout their time at our school and wish them well as they move to their next adventure. I hope they continue to shine like the stars that we know they are. Best of luck also to Miss Brook in class 1 who is leaving us today, we wish her every success in her next venture.

Finally, thank you for your support over the course of the year. Enjoy the Summer – let's hope the sun continues to shine for us!

Kind regards, Mrs J Potter

"Let all that you do be done in love"
