We were delighted that there were some extremely positive comments. They really do mean a lot to myself and my colleagues who I know put in a great deal of time and effort to ensure the very best for our children. Examples:-

There was one key issue that was brought up in the results and in comments by a few parents:-

Concern	Actions already completed	Plans for future development
What children will/are/have been learning	<ul style="list-style-type: none"> • Whole school plans per subject area broken down by stage/year group • Class pages including learning materials on the website • Termly class newsletter with units of learning sent home with children and on the website • Class assemblies showcasing learning • 2 x parent consultations per year where parents can view classroom displays 	<p>Introduce half termly "What we've been up to" communication with parents</p> <p>Explore opportunities for subject parent events</p>

There were specific comments which appeared to be pertinent to individual children/families. I urge these parents to contact their child's class teacher or myself if they continue to have concerns so these can be dealt with on an individual basis.

We are constantly looking at further opportunities to move our school to Outstanding. As always, your ideas are more than welcome. Should you have any comments, concerns or concerns, please do not hesitate to contact me.

Yours sincerely,

Mrs J Potter
