Dear Parents/Carers,

Recently, in the interests of continued school improvement, we have revisited our school vision and considered that it needed to be more accessible to the children. Please find below our new school vision. I would be very interested to hear any thoughts you may have on this, you can either catch me at the beginning or end of the school day or pop your thoughts in a short note that can be delivered to the office. Many thanks in advance.

Yours sincerely,

Mrs J Potter
(Headteacher)
