Use of Pupil Premium 2014-2015 - Year end impact

Activity/Personnel	Costing £	Impact
Extra curricular activities - 10 hours per week (8 hours delivery of activities, 2 hours co-ordination time)	6000	The overwhelming majority of our Pupil Premium children have accessed these and are specifically targeted to attend. This has broadened experiences and allowed additional support to families with after school childcare.
Key Stage interventions including early morning sessions. <ul style="list-style-type: none"> • Early morning 2.5 hours per week. • KS1 8.5 hours per week class/intervention support. • KS2 6 hours per week intervention support. 	10000	Key Stage 2 interventions were severely impacted in Autumn term by the long term illness of our intervention support teaching assistant. Despite this and based against higher age related expectations: 94% of Pupil Premium children have made expected or good progress in reading. 84% of Pupil Premium children have made expected or good progress in writing. 94% of Pupil Premium children have made expected or good progress in maths. Year 6 Pupil Premium children achieved or exceeded age related expectations across all subjects.
Key Stage 1 interventions (4 hours per week)	4000	All Pupil Premium children have made expected or good progress across reading, writing and maths.
Contribution towards lunchtime intervention support. 1 LTSA employed.	2300	Lunchtime intervention was also impacted by the removal of the lunchtime support to support a child with significant SEN need until a new LTSA was appointed. The second half of the year has seen all reading buddies children (which include Pupil Premium and non-Pupil Premium children) making expected or good progress and all Pupil Premium children undertaking extra Mathematics making

		expected or good progress.
Specific literacy on line support	700	Lexia has also been impacted by the reduced timetable as identified above in lunchtime intervention support. Despite that it is proving successful with only one Pupil Premium Lexiachild not making expected or good progress so far this year (this child did not access early morning sessions for a significant part of the year due to difficulties in attending).Year 6 Pupil Premium children achieved or exceeded age related expectations across all subjects.
Remote learning resources.	500	94% of Pupil Premium children have made expected or good progress in maths.Year 6 Pupil Premium children achieved or exceeded age related expectations across all subjects.
