

Curriculum Information for Parents

Class 2

Term: Summer Term 2024

Learning

English

Over the course of the term, Class 2 will read and study a range of fiction, non-fiction and poetry texts which will inspire our own creative writing. Our genres for the term include stories with familiar settings, dictionary and thesaurus work, poems on a theme, traditional tales with a twist, recounts.
Year 1: English work will include continuing on Phase 5 Letters and Sound phonics to be fluent in reading. During our grammar work, we will look at consolidating capital letters, full stops and finger spaces and the use of expanded noun phrases. Question marks and exclamation marks will be introduced to start using in our writing.
Year 2: We will begin to punctuate our writing correctly using capital letters, full stops and commas for lists, add detail to our writing using expanded noun phrases, suffixes, different types of sentences and practise using past and present tense. We will continue to embed our phonics and spelling skills and engage in a wider range of books during our guided reading and read, lead, succeed sessions. We will practice the strategies for comprehension to improve our skills.

Mathematics

This term we will focus on addition and subtraction
Year 1:
 We will learn about multiplication and division in 2,5,10, Fractions, Position and Direction, Place value within 100, Money and Time.
Year 2:
 We will be deepening our understanding about Fraction, Time, Statistics, Position and Direction. We will be fluent in different areas of Arithmetic by daily practice and Fluent in five. We will practice our 2-5-10-11 times table on a daily basis to promote our mathematical skills.
