Online Safety for Children

We are committed at Hanging Heaton School to help you stay safe at all times. We will do our best to keep you safe online and help you recognise what to do in different situations. At least once a term we will look at Online Safety and what it means to us in our lessons and assemblies. You will remember that at the beginning of the year, each of you signed an acceptable use policy, which tells you how best to look after yourself. A copy of it can be found below.

Please look at the Top Tips for Pupils posters around school and if you **ever** feel unsafe or worried contact a grown up at home or in school **immediately.**Speak to your teacher, Mrs Brooke-Mawson or Mrs Potter. Do not think it's too small a problem to worry about, tell us anyway and we will help you work it out.

There are many good websites that help you learn more about Online Safety, some of them can be found below. Have a look at them and see what you think.

Key Stage 1 http://www.thinkuknow.co.uk/5_7/
Key Stage 2 http://www.thinkuknow.co.uk/8_10/
